Objectives	The objective of this course is to provide students with an overview of migration, forced migration and diaspora policies. In the same framework, students provide with an overview of the EU policy-making structures as they apply to migration policy as well as broader themes of EU justice and home affairs by looking at the theoretical framework and the policies currently implemented.				
Content	In addition to the strong EU focus, the course also maps out Turkish diaspora in Europe and the refugees in Turkey aiming to explore the role of different stakeholders who are active in migration debates in Turkey – EU relations, including different states, international non-governmental organizations, and lobby groups.
