

WEB SEARCH EVALUATOR

Innovative Digital Solutions (IDS) partners with a diverse and vibrant community to help our customers enhance their artificial intelligence and machine learning models. The work contributes to improving technology and the digital experiences of many people around the world. Our community works in AI training platform handling all data types (text, images, audio, video and geo).

We offer **flexible working** opportunities without any fixed schedule.

What needs to be done?

This is a #paypertask work that involves evaluation of many different task types including search evaluation, ads evaluation, text, image, video audio queries and selecting the most relevant response to the query.

The Requirements

- Fluency in German or English is essential.
- A keen interest in the internet is a must.
- Good attention to detail as all tasks will contain guidelines to follow.
- Ability to work on your own initiative and work independently is essential.
- The hours are flexible, you choose your own schedule.
- You have the opportunity to qualify on multiple task types to maximize your income.
- You can earn additional income working from the comfort of your own home.
- All guidelines and practice tasks will be in German or English.
- Access to a high speed internet connection and your own laptop / desktop / mobile device, all provided at your own expense.

This is a freelance, independent opportunity

How to apply

Please create an **outlook.com** e-mail address and, forward it to **ids@ids-techno.com** with your CV

Frequently Asking Questions

How much can I earn?

- With approximately 40 hours of work per week, you can earn 7 -8 thousand TL per month for the tasks that you will successfully complete
- Similarly, 3 -4 thousand TL per month can be earned by working approximately 20 hours a week
- It is also possible to work more or less hours
- By increasing the quality of "task" completion, you will also be able to reach tasks that provide much more earnings

What are the payment details?

- You can see the earnings of successfully completed missions in the "Total Earnings" section of the platform (currency:\$)
- **70% of the amount** that you see in the "Total Earnings" section (the amount remaining after taxes/commissions) is paid in Turkish Lira
- Payments are made every Monday, based on the previous week's total earnings report. **(If total earnings is equal or more than 20\$)**
- Payment amount is calculated with the TCMB Foreign Exchange Buying Rate.
