<b>Forms of Teaching and Learning</b>	Classroom lecture			
<b>Course Type</b>	<b>Compulsory</b>	X	<b>Elective</b>	
<b>Objectives</b>	The lecture will cover the transport of goods and persons by sea, air and road. Students will learn national and international legislation in this field.			
<b>Content</b>	Freight transactions are classified between Art. 850-930 of the new Turkish Commercial Code No. 6102. TCC contains regulations for sea, air and road traffic except transactions with postal administration. Since a large part of the transport services in Turkey are performed by road transport, it is of great importance for students to learn the general principles of traffic law. This enables them to be competent in solving the problems often encountered in practice
