<b>Learning Outcomes</b>			
1	The students should master the basics of German family and inheritance law and be able to find their way around the relevant laws.		
2	In addition, students should understand the essential values and guiding principles of these legal areas and, based on this, be able to independently develop appropriate solutions.		
3	The aim is to apply the learning content in case processing.		
<b>Weekly Content</b>			
1	Basics: legal transactions and contracts
