Learning Outcomes

1	Students gain comprehensive knowledge about different perspectives in the sociology of migration in Turkey and can use these perspectives.
2	Students can analyze the processes of internal and external migration in Turkey.
3	Students can examine the manifestations of migration in different fields such as literature and cinema in Turkey and its relationship with these fields in the context of sociology.
4	Students acquire specific information about the migration relationship between Turkey and Germany and thus acquire the skills to look at the concept of migration from a more specialized perspective.
